Reverbia

Black Rock City 2011

The logo is set against a red background with rounded corners. It features a central graphic of concentric circles in red and green, creating a ripple effect. The word "Reverbia" is written in a large, bubbly, white font with a blue and green outline. Two stylized black figures, resembling people with their arms raised, are positioned on the left and right sides of the central graphic. The text "LIVE MUSIC at 7 O'Clock & Esplanade" is at the top, and "Black Rock City 2011" is at the bottom.
